## BUTLER THEATER

Tonight, the big seven-reel special feature which has been talked about in Tonopah for the past two weeks, and likewise in all the large cities, will be shown at the Butler. Its name is "Purity." Its leading lady is Audrey Munson. A stupendous art production presenting the famous model for America's most celebrated paintings and statuary in a powerful dramatic masterpiece. Miss Munson posed for three-fifths of the outdoor sculptor work seen at the San Francisco exposition. Also for many of the great murals. "Purity" is one of the few really great motion pictures of the year. Miss Munson has in this picture achieved her second important success as a photoplayer. "Purity" has the endorsement and approval of high art authority. Miss Munson's appearance in the nude scenes is accomplished without the possibility of offense. No seats reserved except the boxes. Tomorrow, Edmund Broese in "The Weakness of Strength," and Napoleon and Sally, the educated chimp.

## DENNIS SEARLES KILLED BY AUTO

## VICTIM WELL KNOWN IN TONOPAH IN CONNECTION WITH WEST END MINE

Dennis Searles, aged 43, financier and a leading member of the Oakland chamber of commerce, whose father, Kemper Searles, discovered Searles lake and its rich borax deposits, met a tragic death Saturday evening, when his automobile, in which he was a lone occupant, toppled over a 75-foot cliff on the mountain road between Saratoga and Boulder Creek.

The body was found Sunday morning by D. McBryde of Redwood City, from whose ranch on Boulder creek, in California, Searles was returning.

McBryde found Searles' crushed body under the wrecked car at the foot of a cliff a few miles from his ranch. Judging from the distance there to the scene of the accident, Searles must have been killed within an hour after starting the trip home.
